

G.I.B.A NEWS

Brought to you by your President Steve Desperques

MAY

2010

Well here we are again just finished one season and we are sending out the 2010/2011 forms already, but to remind you we have to do this as there are so many leagues and knockouts to sort out that if was left to the last minute we would not have enough time to do this. Times for personal receipt of entries at the Stadium are Monday 21st to Friday 25th June 7pm - 9.30pm

SO PLEASE GET YOUR FORMS IN AS SOON AS YOU CAN.

There had been some discussion about changing the Tuesday fours to a Triples league and we were very close to doing so but after further discussion and a few members saying that the Fours should stay the Council have decided that it will continue for next season with the teams entering it being asked their views before making any changes.

I would also like to take this opportunity to welcome the new Council members who after just one meeting have already made some significant suggestions

I would also like to thank Shirley and John Jehan for their continued efforts in bringing in much needed funds through the holding of Euchre drives of which the next one is on **JUNE 5th AT 7.00PM.**

To those members who play outdoor in the summer I hope you enjoy it without getting too wet and to those members playing indoors knowing you will not get wet Also the members who do not play at all throughout the summer I hope you enjoy the rest.

We hope to see you all back for the winter season.

DONATION FUND

The donation fund to which our donor was doubling has now come to an end with a total of £4,405.40 raised over the last 2 years which means that with the donor putting in the same amount we have £8,810.80 to put towards the upkeep of the bowls club. Of course this does not mean that you have to stop putting donations into the box as all funds will be gratefully received.

On behalf of the GIBA I would like to thank Iris Read and her family for carrying on Richards pledge to us.
